

km 0+000 - 0+755

Technical drawing of a road cross-section. The central asphalt pavement has a 2% slope. The concrete curbs on both sides have an 8% slope. The left side of the road is bordered by a 1:1.5 slope. Elevation points are marked: -0.145, -0.045, 0.00, -0.045, -0.145. A table on the right lists elevations for points 1, 2, and 3.
